Site Improvement
Request Form

Name: _____

Date: _____

Phone #: _____

Site#: _____

Site Address: _____

Millsboro, DE 19966

Please complete the above information. Use the space below to submit a drawing of the proposed improvements you intend to make on your site. Be sure to include labels & correct measurements. **Sheds must be constructed of wood and may be a maximum of 64 sqft. A Sussex County Permit is required prior to the placement of a shed.** Ground level decks, and prefabricated RV screen rooms, firepits, gravel, and many other improvement ideas do not require a permit, however, *any and all planned developments must first receive resort approval via completion of this form.*

NO WOODEN STRUCTURES OTHER THAN SHEDS & GROUND LEVEL DECKING CAN BE APPROVED.

*Before digging on your site, the office must identify the existence/location of any water, sewer, electric and cable lines.
