RV FOR SALE ~ LISTING FORM

Posting your RV for sale on our website is a free service to Lighthouse Beach Residents. The resort shall remain uninvolved with the sale of your RV, and we ask nothing in return. Simply, let us know when your RV is sold and we will remove your listing.

If your lease is to be included in the sale, please submit the [Notice of Intent to Sell](#) form, as well. Any potential buyers of a resident's lease **MUST** be approved for residency **before** the completion of your sale. The Notice of Intent to Sell form is available from the same drop-down menu on our website as the [Application for a Seasonal Site](#).

In order to make it fair for everyone listing their RV, we ask that you complete all the information requested on this sheet. You may include up to 6 photographs for your listing.
